

SWEET TASTE OF TORAH

This snack relates to this week's parsha. Please take these as suggestions and make necessary changes based on your individual dietary needs.

The Rainbow Promise

Genesis 9:16

Ingredients:

- Rainbow colored cereal (such as *Fruit Loops*)
- Animal cookies
- Pretzel sticks
- *Graham* crackers

Instructions:

This snack represents Noah's ark, the animals and the rainbow. Have the individual parts ready ahead of time so that they can be passed out easily. Allow the child to put the food in the right place to make the scene above. We used a piece of paper to create the scene on. The child can use that as the plate.
