Blessings of Ya'aqob's Sons

Genesis 49:1-28

Instructions for the Notebook Page:

- If using BW Main Page, color in the images representing the blessings using medium of choice.
- If using Hands Template (BW w/out names), color the hands and write the English and the Hebrew letters for each of the 12 brothers. Write them from right to left (Hebraically) according to the chart provided below.
- If using Hands Template (BW w/ names), color the hands and if desired write the names in Hebrew below the English.

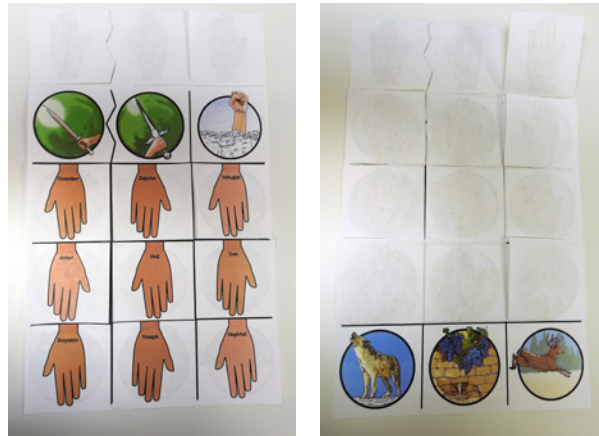

Note we have provided flashcards in the 'Resources' section with the English and Hebrew spelling of each name. The file is available here:

Lewi לוי	Shim'on שמעון	Re'uben ראובן
Yissaskar יששכר	Zebulun זבולון	Yehudah יהודה
Asher אשר	Gad גד	Dan דן
Binyamin בנימין	Yoseph יוסף	Naphtali נפתלי

- If using the colored Hands Templates, follow the same directions as above for writing the names.

Instructions for the Notebook Page cont'd:

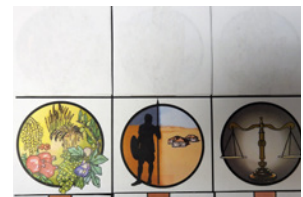

- Cut out each hand box separately.
- Cut off 12 pieces of tape the width of each box.
- Working with one box at a time, start with the bottom row and tape the hand to the corresponding blessing matching the top edge of the cut hand boxes with the line on the Main Page (A or D). (P1)
- Move to 2nd row from the bottom and repeat. (P2)
- Move to 3rd row from the bottom and repeat. (P3)
- For the last row, the very top, line up the edge of the box with the edge of the cardstock and fold the tape over to attach. Press and crease the tape at the fold so it will lay flat. (P4)
- Each hand and name flap can be lifted up to see the blessings.

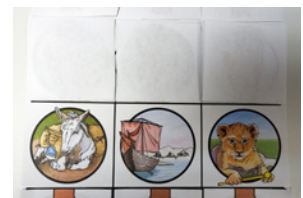

You now have a visual representation of the blessings that Ya'aqob bestowed on his 12 sons.
