

# SWEET TASTE OF TORAH

This snack relates to this week's parsha. Please take these as suggestions and make necessary changes based on your individual dietary needs.

## Embalmed Cookies

Genesis 50:2-3, 26

### Ingredients:

- *Nutter Butter* cookies or shortbread cookies (approximately 10)
- 1 c. white chocolate chips
- $\frac{1}{2}$  Tbsp. vegetable oil
- Candy eyes
- Parchment paper

### Instructions:

Start by melting the white chocolate and vegetable oil in a pan. When melting white chocolate, the most success is in melting it on low heat.

Transfer the white chocolate into a small plastic bag (or a frosting bag with a #2 tip). Cut the very edge corner off the bag and then pipe the melted white chocolate over the cookies to form the 'bandages.'

Before the white chocolate has a chance to harden, place 2 candy eyes on embalmed cookies and place on parchment paper.
