## Snake

Exodus 7:10

### *Strawberries and Banana Snake*

#### Ingredients:

- 2-4 strawberries
- 1 banana
- 2 candy eyes
- 1 red *Fruit Roll-Up* (to make snake's tongue)
- Optional: marshmallow fluff (to adhere candy eyes and to hold snake together)

#### Instructions:

Set largest strawberry aside for the head. Slice the remaining strawberries and the banana into medium-sized slices about 1/4 inch. Save one end piece of a strawberry to make the snake's tail.

You may use marshmallow fluff to adhere the 2 candy eyes to the top of the snake's head as well as in between the bananas and strawberry snake body.

Line the sliced strawberries and bananas behind the whole strawberry in a snake like pattern. Add the small tip of one of the strawberries at the end for a rattle tail.

Cut a slit at the front of the whole strawberry to create a 'mouth'.

Take your *Fruit Roll-Up* and cut 2 thin strips to make a forked 'tongue'. Place the strips inside the slit of the mouth.

### *Nutter Butter Snake*

#### Ingredients:

- 1 *Nutter Butter* cookie
- 2 candy eyes
- 1 red *Fruit Roll-Up* (to make snake's tongue)
- Optional: marshmallow fluff (to adhere candy eyes to cookie)

#### Instructions:

Place 2 candy eyes on the top of the cookie. You may use marshmallow fluff to adhere the eyes. Take your *Fruit Roll-Up* and cut 2 thin strips to make your tongue. Place the strips in between the cookie.
