Sing to the tune of "The Ants Go Marching One by One"

### March of the Ten Plagues

Ten plagues kept coming one by one - oy vey, oy vey (2x)  
They really needed some water to drink  
It turned to **blood** and that did stink

Chorus:      And Pharaoh said that they could go  
                  Then changed his mind, and said  
                  "No, No, No, No, No, No, No"

Ten plagues kept coming one by one - oy vey, oy vey (2x)  
Then **frogs** were jumping everywhere  
In Pharaoh's bed and on his hair

Chorus

Ten plagues kept coming one by one - oy vey, oy vey (2x)  
**Gnats** and **flies** were in the air  
In their homes and everywhere

Chorus

Ten plagues kept coming one by one - oy vey, oy vey (2x)  
The beasts fell down and their cattle were sick  
The **pestilence** became so thick

Chorus

## March of the Ten Plagues cont'd

**Boils** on their bodies, they were alarmed  
Man and beast were also harmed

Fiery **hail** was falling down from the sky  
Thunder boomed, My Oh My!

The **locusts** ate their plants so fast  
The trees and field, they didn't last

The brightness failed, there was no light

The Mitsrites gave a piercing cry
