

SWEET TASTE OF TORAH

This snack relates to this week's parsha. Please take these as suggestions and make necessary changes based on your individual dietary needs.

Dry Land and Parted Waters

Exodus 14:21

Ingredients:

- *Graham* crackers
- Blue (*Funfetti*) frosting or any kosher gummy fish or candies

Instructions:

Spread blue frosting on both edges of 1 *Graham* cracker making a wall.

If you bought *Funfetti* frosting, it already has little candy fish that you can place onto the parted water walls to add some sea life.

If you have just blue frosting, take some kosher gummy fish and place them onto parted water walls to add sea life.
