# Precious Possessions

## NOTEBOOK PAGE

### Special Instructions:

We have created two different options for this craft. The first is for a standard Notebook Page. The second is a 3-D version of the furnishings in the Mishkan/Dwelling Place.

Since the 3-D version is more involved, we recommend that you do one or two pieces now and then you can finish the other pieces during a later parsha. In our planning we can see that there will be time to do these by parsha Pekudei (23.1).

If you are using this for homeschool purposes, you can do one of these each day during the week so that you are done by Shabbat.

We recommend that you store all the 3-D furnishings in a shoebox or plastic bin.

### Materials:

- Cardstock – white
- Glitter glue – gold (for furniture pieces)
- Puffy paint – brown (for showbread)
