Mishkan/Dwelling Place

Exodus 26:15

Ingredients:

- *Graham* crackers - 7-8 (to give strength to pretzel sticks)
- Pretzel sticks - approx. 57 (represents boards & pillars)
- Fruit leather or *Fruit Roll-ups* (represents coverings/veil)
- Chocolate frosting (use as adhesive)
- Optional: brown sugar (represents ground)

Instructions:

Place *Graham* crackers in a stack in the center of a plate or aluminum foil in the shape of a rectangle. Use the chocolate frosting to go around the edge of the stack of *Graham* crackers - you may need to pipe some to ensure that you have a thick layer of frosting. Place pretzel sticks into the frosting and arrange in a pattern to create a rectangle leaving room for an opening where the first veil would be. Place 4 different colored fruit leathers/*Fruit Roll-ups* over the sticks to represent the coverings. You can also use a fruit leather to create the first veil. Optional: sprinkle brown sugar on the plate or aluminum foil to represent the ground.
