### Leviticus 11 Song

When we say that food is kosher  
Do you know what we mean?  
We may eat only certain animals  
That are tahor, which means clean

B'nei Yisra'el all gathered to learn  
In the parsha of Shemini  
That we must eat only Kosher food  
So to Yahweh, holy we can be

All of the animals which we may eat  
Must have split hooves on their feet  
And they must chew their food over again  
We know the animal is Kosher, then

Mosheh taught us in great detail  
That Kosher fish must have fins and scales  
Most of the bugs or creatures that crawl  
We may never eat at all!

*Kosher - fit or proper according to Torah*
