The Year of Jubilee

Leviticus 25

The shofar sounds across the land
The people return to their own clan
Yahweh declares a Jubilee year
Rest and freedom are drawing near
The debts are gone, the fields restored
The slave returns to his own home
A time of safety, joy and peace
The trumpet proclaims the day of release

The year of Jubilee, the time of grace
The shofar echoes in every place
The people rejoice, the heavens shine
Yahweh restores what once was mine

Through every street the praises rise
The song of freedom fills the skies
From age to age, His truth remains
The love of Yahweh forever reigns!

The year of Jubilee, the time of grace
The shofar echoes in every place
The people rejoice, the heavens shine
Yahweh restores what once... was... mine!
