

SWEET TASTE OF TORAH

This snack relates to this week's parsha. Please take these as suggestions and make necessary changes based on your individual dietary needs.

Wagon

Numbers 7:3

Ingredients:

- Bell pepper of choice (to represent the wagon)
- Cucumbers (4 slices to represent the wheels)
- Veggies of choice (to place inside the wagon)

Instructions:

Lay your pepper on its side and cut off the edge so that you have an opening. Place cucumber slices against the pepper to represent the 4 wheels. Place veggies of choice inside the pepper wagon. You can serve with ranch or dip of choice as well as place some inside the wagon or use as adhesive for the cucumber wheels. As an additional snack you can provide cow animal crackers to represent the cattle that the leaders were to provide for the Levites.

*Note that the wagons that were brought were covered. Our snacks are just a fun, visual representation to engage your child further with the parsha and not to be taken as literal representations of the material.
