Parsha Pearls is a comprehensive resource that allows for complete customization by the parent. We understand that if you were to strive to accomplish all aspects of each lesson in one day it would be unrealistic and also overload for the child. It is our intention that this be used 'a la carte' so that it suits your specific needs. Our site caters to printing only the pieces you choose.

This page will provide quick links to get to the portion of the document for which you are looking. When you hover over the title a finger will appear. Click on it and you will be taken directly to that page.

If you are new to Parsha Pearls, we have created an [Introduction](#) document outlining how to use our lessons, as well as a [Scriptural Inspiration](#) document, which explains our titles and the Scriptural inspiration for them. We pray that Parsha Pearls blesses your home and that your children will grow to love the Word and to never depart from keeping Torah. As always, feel free to email us at parshapearls@mtoi.org if you have any questions.

DIGGING DEEPER

Parents/Teachers may choose to use these prompts for further discussion of the Torah portion.

- Notice that the daily offering was offered in the morning and in the evening. Why do you think that is?
- Some religions teach that Yahweh prohibits alcohol. Research the Hebrew word for the type of drink offering Yahweh required for the daily offering. What is the Hebrew word for the type of drink offering Yahweh required for the New Moon?
- What is the significance of the number of animals that were sacrificed? For example, the number 7 is known as the number of completion. However, we see that on the first day of Sukkot, 13 bulls were to be sacrificed. Why do you think Yahweh asked for 13? Could it be that it included the Levites and the 12 tribes? How many total bulls were offered during Sukkot?
