Parsha Pearls is a comprehensive resource that allows for complete customization by the parent. We understand that if you were to strive to accomplish all aspects of each lesson in one day it would be unrealistic and also overload for the child. It is our intention that this be used 'a la carte' so that it suits your specific needs. Our site caters to printing only the pieces you choose.

This page will provide quick links to get to the portion of the document for which you are looking. When you hover over the title a finger will appear. Click on it and you will be taken directly to that page.

If you are new to Parsha Pearls, we have created an [Introduction](#) document outlining how to use our lessons, as well as a [Scriptural Inspiration](#) document, which explains our titles and the Scriptural inspiration for them. We pray that Parsha Pearls blesses your home and that your children will grow to love the Word and to never depart from keeping Torah. As always, feel free to email us at parshapearls@mtoi.org if you have any questions.

LITTLE GEMS STORY

Parent/Teacher Preparation:

Please see the [Instructions for the Little Gems Story](#) on the YMTOI website. This will help you to understand how to prepare for the story.

7 Species

Shalom children! Well, it has been a long time now since the Yisra'elites left Mitsrayim, and they are still on their journey towards the land of Yisra'el. I bet they were getting more and more excited about finally getting to cross the Yarden and go into the land that was promised to them! **(Place map of Yisra'el on board.)** But before Yahweh will let them go in, He has more things to teach them and more things that He wants to make sure they remember. **(Place Yisra'elites on board).**

The Yisra'elites have seen Yahweh do all kinds of amazing things for them, and now Mosheh is reminding them of all these things and telling them about all the blessings that they will receive in the land if they guard His commands. **(Place older Mosheh on board.)** He explains how Yahweh led them for 40 years in the wilderness, in order to make sure they were humble, and to see if they really wanted to guard His commands or not. Do you know what it means to be humble? **(Give children a chance to answer.)** It means that you don't think of yourself as being really great and powerful, but instead you remember that it is Yahweh who takes care of you and gives you everything.

Mosheh tells the Yisra'elites about how Yahweh allowed them to get hungry on their journey, and then fed them with manna. **(Place manna scene on board.)** He also reminds them that Yahweh has kept their clothing from getting ragged and has kept their feet comfortable by not allowing their sandals to wear out for the past forty years. **(Place people with ragged clothes, swollen feet and worn out sandals on board.)** Wow! They have been traveling all this time, and their feet didn't even get swollen! And can you imagine what it would be like to have your clothing last so many years? My clothes don't usually last that long!

Yahweh wants them to remember that He disciplines His people, just the way your parents might sometimes discipline you. If you do the wrong thing, your parents can correct you and show you the right way to behave. Yahweh is doing the same thing with the Yisra'elites. He wants to make sure they will respect Him, listen to Him, and do everything that He has told them to do.

Mosheh then tells the people that by listening to Yahweh and following His instructions, they will be able to enjoy the land that He will give them for a new home. Think of the prettiest place you have ever been. What did it look like? Was there water? Were there mountains? **(Let children answer.)** Mosheh tells the Yisra'elites that the land they will get to live in will have beautiful blue water, with fountains and springs and streams flowing through the valleys and hills. He says that they will have plenty of food to eat so that they won't get hungry. And there will be stones made of iron, and also copper in the hills. **(Place land of Kena'an scene on board.)**

Mosheh also tells them about the food that they will enjoy in their new land. **(Place 7 species on board and point to each one as you read it.)** They will get to eat wheat, barley, grapes, figs, pomegranates, olive oil and honey. Mmm, that all sounds so delicious! We call these foods the 7 species, and even today they are all found in Eretz Yisra'el - the land of Yisra'el. **(Explain to children that olive oil comes from olives and that the honey came from dates.)**

The Yisra'elites are told that they shall bless and thank Yahweh for giving them so many good things and such good food to eat. Yahweh cautions them that when they are eating the good food, living in their lovely houses, spending time with their animals, and when they have lots of silver and gold, they must be careful not to forget about Yahweh. **(Place wealthy scene on board.)** Sometimes when we have lots of good things, we might not pay attention to how much Yahweh is doing for us, and Yahweh wants to make sure that doesn't happen. He wants the Yisra'elites to remember what it was like in Mitsrayim, so that they don't become ungrateful. He also wants them to remember all the things He did for them in the wilderness, like leading them past serpents and scorpions **(place serpent and scorpion on board)**, making water come out of a rock for them to drink **(place water from the rock scene on board)**, and feeding them with manna **(point to manna scene)**. Yahweh wants this younger group of people to remember that He is providing all these things for them. He tells them that they are not so great and powerful on their own, but only because of His help. After all, He is fulfilling His promises that He made to their fathers.

Yahweh also gives them a warning that if they forget about Him and stop serving Him, then bad things would happen instead of good things. Do you think they will remember to love and serve Yahweh when they go into the land? I sure hope so! They still have some more instructions to listen to first, but we will save that for another time.

Well children, we have come to the end of our story for today. We will see you next week for another exciting Little Gems story!

SWEET TASTE OF TORAH

This snack relates to this week's parsha. Please take these as suggestions and make necessary changes based on your individual dietary needs.

7 Species Muffins

Deuteronomy 8:8

Ingredients:

- $\frac{3}{4}$ c. golden raisins
- $\frac{1}{2}$ c. dried figs
- $\frac{1}{2}$ c. dates
- $1\frac{1}{4}$ c. unsweetened almond milk
- $\frac{1}{4}$ c. applesauce
- 1 tsp. cinnamon
- $\frac{1}{2}$ tsp. allspice
- 2 eggs
- $\frac{1}{3}$ c. light olive oil
- $\frac{1}{2}$ c. sugar
- $\frac{1}{2}$ c. brown sugar
- $1\frac{1}{2}$ tsp. vanilla extract
- $1\frac{1}{2}$ c. all-purpose flour ($\frac{3}{4}$ c. all-purpose + $\frac{3}{4}$ c. whole wheat flour will work too)
- $\frac{1}{2}$ c. barley flour
- 2 tsp. baking powder
- $\frac{1}{2}$ tsp. baking soda
- $\frac{1}{4}$ tsp. salt
- $\frac{3}{4}$ c. pomegranate seeds
- $\frac{1}{2}$ c. chopped walnuts

Instructions:

Preheat oven to 400°. Chop dates and figs. Set aside. Use a blender or food processor to blend together the following ingredients until very smooth: dates, figs, almond milk, applesauce, cinnamon and allspice. It may take a couple of minutes to blend all ingredients to a smooth consistency, depending on the power of your blender. The end result should be similar to the texture of apple butter or smooth fruit preserves. Set mixture aside.

In a medium mixing bowl, whisk together eggs, light olive oil, sugar, brown sugar, and vanilla extract.

In a large mixing bowl, sift together flour, barley flour, baking powder, baking soda, and salt.

Gently mix the pomegranate seeds into the dry mixture, making sure the seeds are well coated with flour.

Make a well in the middle of the dry ingredients. Pour the fruit mixture from the blender into the well.

Add the egg mixture to the well.

Fold the dry ingredients into the wet ingredients until the dry ingredients are just moistened and a lumpy batter forms. Do NOT overmix - if you do your muffins will turn out heavy and dense

Fold raisins and chopped walnuts into the muffin batter with a light-handed stir.

Prep your muffin pan by spraying a small amount of nonstick cooking spray into the bottom of each muffin tin (NOT the sides), or use paper muffin cup liners. Divide batter equally into muffin cups, filling each cup to the top and mounding the surface slightly. It's easiest to do this using an ice cream scoop.

Place muffins in the oven and immediately turn heat down to 375°. That extra heat blast at the beginning of the baking cycle will help to activate the baking powder and baking soda. Bake for 25-27 minutes until the tops of the muffins are golden brown and a toothpick inserted in the center comes out clean. Let muffins cool for 10 minutes before removing from the tin and cooling on a rack. Do NOT let the muffins cool completely in the tin. They are quite moist and may stick to the tin if you leave them there too long.

You can also serve the 7 Species (sheva minim) for a taste test.
