This snack relates to this week's parsha. Please take these as suggestions and make necessary changes based on your individual dietary needs.

Mother Bird with Eggs in Nest

Deuteronomy 22:6

Ingredients:

- 1 round slice of pineapple (represents body of bird)
- 1 baby carrot/cheese/apricot (represents beak, feet and feathers)
- 2 chocolate covered raisins (represents eyes)
- A handful of pretzel sticks (represents nest)
- A handful of *Berry Berry Kix* cereal (represents eggs)

Instructions:

Grab a plate and place your round slice of pineapple in the center. Place some pretzel twists around the bottom of the plate to resemble a bird's nest.

Using a knife or kitchen scissors (please supervise children if allowing them to slice), slice your baby carrot/cheese/apricots into 2 thin rounds. Place these on the bird for the feet. Next, slice another round off your carrot/cheese/apricot and cut it into a triangle. Place this triangle on your bird for the nose. Finally, slice 3 thin strips off the remaining baby carrot/cheese/apricot. Stick these on top of the bird for the top feathers.

Take your 2 chocolate covered raisins and place them on the bird for the eyes.

Lastly, grab a handful of *Berry Berry Kix* cereal and put some in the empty spaces in your nest to represent the bird eggs.
