

SWEET TASTE OF TORAH

This snack relates to this week's lesson. Please take these as suggestions and make necessary changes based on your individual dietary needs.

Edible Sukkah

Lev. 23:42

Ingredients:

- *Graham crackers* (for sukkah walls)
- Pretzel rods (for roof branches-approx. 3-4)
- Marshmallow fluff (used as adhesive)
- Candies of choice (for sukkah decorations)
- Coconut flakes (for roof)
- Green food coloring (for coconut flakes)
- Optional: Green frosting to create grass

Instructions:

1. Assemble your walls using *Graham crackers* and marshmallow fluff as adhesive.
2. Spread marshmallow fluff onto one side of your pretzel rod and sprinkle your green coconut flakes over the fluff to adhere leaves to your branches. Do this for all your pretzel rods.
3. Lay pretzel rods gently over your sukkah walls.
4. Using candies of choice, place them over your roof. You may use marshmallow fluff to adhere the candies to the roof.
5. You can also make a table and chairs as well for the inside of your sukkah using *Graham crackers* or square pretzels to invite ushpizin (guests) over.
6. Lay a yellow candy on your table to represent the etrog and a pretzel stick to represent the lulav.
7. We used green frosting to represent grass but also as extra reinforcement for the walls and table. Our sukkah wasn't large enough to make chairs but you can make your back wall longer by using more *Graham crackers*.
