

# CRAFT

## Materials:

- Cardstock - white
- Aluminum foil - heavy duty
- Hole punch
- Yarn or string of choice
- Hot glue gun
- Glue or clear tape - to secure aluminum foil on the back of the flowers
- Scissors
- Markers
- Craft Templates: Date Flower, Etrog Flower, Pomegranate Flower

### Parent/Teacher Preparation:

- Print Craft Template of choice on white cardstock.

## Instructions for the Craft:

- Cut out Craft Template. (P1)
- Using a hot glue gun, outline all the lines on the flower. (P2)
- Tear off a piece of heavy-duty aluminum foil wide enough to go over the front and around some of the back of the flower making sure that the non-shiny side is facing up. (P3)
- Press down on the flower to make indentations on the aluminum foil. Flip flower to the front and with the pad of your index finger, gently make deeper pressings in the foil to show the pattern, being careful not to tear the aluminum foil. (P4a, P4b, P4c)
- Cut in between the flower pedals so that you can start bringing the foil over to the back side. (P5a, P5b, P5c)

## Hanging Flowers Sukkah Decorations

Leviticus 23:40

## Instructions for the Craft Cont'd:

- You may need to add more pieces of foil to cover the whole back of the flower. (P6a, P6b, P6c)
- Using marker colors of choice, color the aluminum foil in between the raised hot glue on the flowers. (P7a, P7b, P7c)
- Allow ink on markers to dry. (P8a, P8b, P8c)
- Using a hole punch, make a hole at the top of the flower. (P9a, P9b, P9c)
- Tie a piece of yarn or string through the hole so that you can hang it from the tree branches over the sukkah. (P10a, P10b, P10c)
