CRAFT

Plant Finger Puppet

Materials:

- Copy paper
- Stiff felt – blue, green, brown
- Double-sided tape (to hold template pieces while cutting)
- Hot glue
- Tweezers (to assist in placement)
- Scissors
- Permanent marker - black (fine tip)
- Craft Template: Plant (BW)

Parent/Teacher Preparation:

• Print Craft Template on copy paper.

• Depending on the skill of the child, you may need to assist them in cutting out the Craft Template and felt pieces.

Instructions for the Craft:

- Cut out all Template pieces, including the 'plant image.' (P1)

- Place double-sided tape onto the back of the paper template pieces and lay over felt colors indicated. Cut around the templates you have just placed on the felt. (P2)

- Remove the paper templates from the felt pieces. Keep the paper 'plant image' and 'left & right leaves templates' for reference in placement and drawing. (P3)

- Apply hot glue around the edges of the 'background back,' making sure to leave an opening at the bottom, and place the 'background front' over it. (P4a, P4b)

- Apply hot glue on the back of the 'trunk' and place onto the 'background front,' referring to the 'plant image' for placement. (P5a, P5b)

Instructions for the Craft cont'd:

- Apply a drop of hot glue on the top of the right branch and place the 'right leaves' onto the glue. (P6a, P6b)

- Using a fine tip black permanent marker, draw the leaves details, referring to the 'right leaves template' for assistance. (P7)

- Apply a drop of hot glue on the bottom left leaf and place the 'left leaves' onto the glue. (P8a, P8b)

- Using a fine tip black permanent marker, draw the leaves details, referring to the 'left leaves template' for assistance. (P9)

- Set the plant finger puppet aside to dry.

You now have a visual representation of the plant that grew and sheltered Yonah from the heat.
