### Yonah

Yah came to Yonah and said,  
"Take a trip to Nineweh, and tell the people they must change their ways"  
But Yonah couldn't agree, and so he left Galilee  
On a boat heading off to Spain

But there's no hiding from the One  
Who caused an angry storm to come  
When Yonah came clean, the sailors threw him right into the sea

Chorus:

Yonah, O Yonah  
Can you hear the holy sound?  
OH-H-H Yonah, O Yonah  
It's not too late to come around  
  
So Yonah's floating away  
When he's suddenly saved  
Swallowed up by a big old fish  
He makes the belly his home  
Three nights he spends there alone  
He repents, he cries out, he prays  
  
When Yonah's anger was no more  
The fish spit him out onto the shore  
Without looking back  
Yonah took up the task  
Heading off for Nineweh

Chorus

When Yonah shared Yah's message  
People fell down on their knees  
They would fast, they would plea  
They would come to believe  
That Yah was full of mercy  
  
And here's the message we're sent  
It's more than how we repent  
We can change, we can grow  
We can be more than we know  
This day we take to atone  
Is not about us alone  
For we are all in this together

Chorus
