Yonah

Yah came to Yonah and said,
"Take a trip to Nineweh, and tell the people they must change their ways"
But Yonah couldn't agree, and so he left Galilee
On a boat heading off to Spain

But there's no hiding from the One
Who caused an angry storm to come
When Yonah came clean, the sailors threw him right into the sea

Chorus:

Yonah, O Yonah
Can you hear the holy sound?
OH-H-H Yonah, O Yonah
It's not too late to come around

So Yonah's floating away
When he's suddenly saved
Swallowed up by a big old fish
He makes the belly his home
Three nights he spends there alone
He repents, he cries out, he prays

When Yonah's anger was no more
The fish spit him out onto the shore
Without looking back
Yonah took up the task
Heading off for Nineweh

Chorus

When Yonah shared Yah's message
People fell down on their knees
They would fast, they would plea
They would come to believe
That Yah was full of mercy

And here's the message we're sent
It's more than how we repent
We can change, we can grow
We can be more than we know
This day we take to atone
Is not about us alone
For we are all in this together

Chorus
