

CRAFT

Plant Finger Puppet

Materials:

- Copy paper
- Stiff felt - blue, green, brown
- Double-sided tape (to hold template pieces while cutting)
- Double-sided adhesive tape or hot glue
- Scissors
- Permanent marker - black (fine tip)
- Craft Template: Plant (BW)

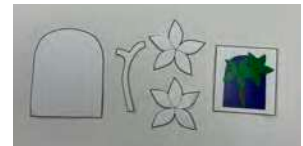

Parent/Teacher Preparation:

- Print Craft Template on copy paper.
- Depending on the skill of the child, you may need to assist them in cutting out the Craft Template and felt pieces.
- In lieu of double-sided adhesive tape, you can use hot glue to assemble the puppet.

Instructions for the Craft:

- Cut out all Craft Template pieces, including the 'plant image' for reference in drawing or placement. (P1)
- Place double-sided tape onto the back of the paper template pieces and lay over felt colors indicated. Cut around the templates you have just placed on the felt. (P2)
- Remove the paper templates from the felt pieces. Keep the paper 'plant image' and 'left & right leaves templates' for reference in drawing. (P3)
- Run double-sided adhesive tape around the edges of the 'background back,' making sure to leave an opening at the bottom, and place the 'background front' over it. (P4a, P4b)
- Run double-sided adhesive tape on the back of the 'trunk' and place onto the 'background front.' (P5a, P5b)

Instructions for the Craft cont'd:

- Using a fine tip black permanent marker, draw the leaves details, referring to the 'left and right leaves template' for assistance. (P6)
- Run double-sided adhesive tape on the back of the 'left and right leaves' and place onto the trunk. (P7a, P7b, P7c)
- The plant finger puppet is now complete.

You now have a visual representation of the plant that grew and sheltered Yonah from the heat.
