

I won't sit around, wearing a grumpy frown
When it comes to doing Your commands
I'm leaping like a hound
I'm no fool—I know the rules!

Gonna run, run, run! Gonna get it done
I'll hurry and scurry to please Your Son
You make my heart so big and bold
 To do what I'm told
So, run, run, run! Gonna get it done
I'll hurry and scurry to please Your Son
The race is just begun; time to RUN (*Stomp 5x*)

I won't spend my youth drifting from the truth
I'm straight as an arrow on Your road
No more wandering loose
I'm no fool—I know the rules!

Gonna run, run, run! Gonna get it done
I'll hurry and scurry to please Your Son
You make my heart so big and bold
 To do what I'm told
So, run, run, run! Gonna get it done
I'll hurry and scurry to please Your Son
The race is just begun; time to RUN (*Stomp 5x*)

BRIDGE: *Don't be in slow motion*
 Like a turtle in the ocean
 Is my King still waiting
 To see if I'm obeying?

Gonna run, run, run! Gonna get it done
I'll hurry and scurry to please Your Son
You make my heart so big and bold
 To do what I'm told
So, run, run, run! Gonna get it done
I'll hurry and scurry to please Your Son
The race is just begun; time to RUN (*Stomp 5x*)

Coda: The race is just begun—
 Time to RUN (*Stomp 5x*) **GO!** (*Fast stomping*)
