

WISE UP! (K-A Pesach 2022) *Sherry Shirah Wendling*

CHORUS: Doo-be-doo, wise up! Doo-be-doo, wise up!
Your brain might be all full of stuff
But being smart is not enough
Get wisdom! Doo-be-doo, wise up!

A long time ago, King Shlomoh
Told us what we need to know
So look deep down inside your heart
Fear of Yahweh's where to start

CHORUS

Don't just think you know it all
He is great and we are small
He gives us teachers to help us grow
So our joy can overflow

CHORUS (2x)

Coda: WISE UP!
 WISE UP!

< *spoken: WISE UP!* >
