

# Precious Possessions

## CRAFT

### Harp

Genesis 31:27

### Materials:

- Copy paper
- Foam board or cardboard
- Dowel - 4½" long (2)
- Rubber bands (4)
- Glue stick
- Hot glue or glue
- Scissors or knife
- Pencil (for tracing)
- Coloring pencils, crayons or markers
- Craft Templates: A (patterns), B (words-1), C (words-2)

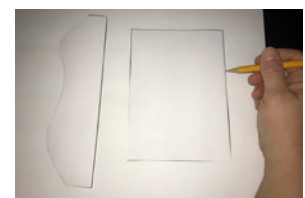

### Parent/Teacher Preparation:

- Print Template A and if desired Templates B & C on copy paper.

### Instructions for the Craft:

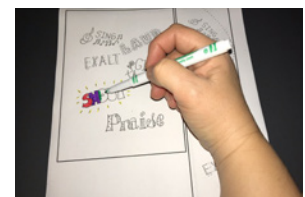

- Cut out all pieces on Template A (patterns).
- Place patterns on foam board and trace around them with a pencil. (P1)
- Cut the foam board around the markings you just traced. (P2)
- Decorate the pieces as desired; optionally use Templates B and/or C with decorative words. They could be decorated and then pasted onto the craft before assembly. (P3)
- Stretch 4 rubber bands length wise on the rectangular piece of foam board, spacing them evenly. (P4)
- Glue the 2 wavy edged pieces of foam board to the sides of the rectangular piece of foam board. (P5)
- Place the 2 dowels under the rubber bands, between the rubber bands and the foam board, at the top and the bottom of the rectangular foam board piece. (P6)
- Adjust the rubber bands to tune as desired and your lyre is ready to play!
