Rod Turns Into Snake

Exodus 4:2-4

Ingredients:

- Grapes - color of choice (8-10)
- Candy eyes (2)
- Marshmallow fluff (for adhesive)
- Skewer

Instructions:

Insert grapes through the skewer so they cover most of the skewer. Add marshmallow fluff adhesive to the candy eyes and place on head of snake. Leave some of the skewer showing to represent the snake being grabbed by its tail and turning back into a rod.
