

EARS TO HEAR
(KATAN A, Pesach 2023)

Time: 2:30

Sherry Shirah Wendling

CHORUS:

Ears to hear! Do you have ears to hear
Of things we cannot see?
Stories that mean way more than they seem
Do you have ears to hear?

Ears to hear! Do you have ears to hear
About the Father's Kingdom?
It won't be plain till the Teacher explains
So let's have ears to hear!

A woman lost her coin, a shepherd lost a sheep
The shepherd went to search and the woman had to sweep
So that's how Yahweh seeks for His own
And He will bring them home!

CHORUS

A farmer sowed his field, the seeds went everywhere
But some soil was shallow, rocky and bare
So Father sent His Word to us below
To see who'd let it grow

Ears to hear! Do you have ears to hear
About the Father's Kingdom?
It won't be plain till the Teacher explains
So let's have ears to hear!

CODA:

It won't be plain till the Teacher explains
Let's all have ears to hear

<HEAR, HEAR!>
