

## **What's Your Foundation? KB Lyrics (Parables of Yeshua) – Written by Briana Berkson**

### **Verse 1**

Let the floods come and let the wind blow, My house will not crumble, no, no, no

Build, build my house upon the rock, I won't let anything affect my walk

### ***Chorus***

I won't be moved, I won't be shaken O-oh, I'm laying down a good foundation

I will be wise, don't be mistaken O-oh, I'm laying down a good foundation

Will you be wise? O-oh, what's your foundation?

### **Verse 2**

I will not be all safe and sound, If I build my house on shaky ground

I use His wisdom every day, So nothing can pull me away

Me away

### ***Chorus***

### **Bridge**

When the world tries to knock me off my feet, I'll stand up tall

When the floods come rushing in, I know my house will not fall

For I will be wise I will be wise

### ***Chorus (Modulation)***

I won't be moved, I won't be shaken O-oh, I'm laying down a good foundation

I will be wise, don't be mistaken O-oh, I'm laying down a good foundation

Will you be wise? I will be wise

O-oh, what's your foundation?
