

**WE WANNA BE** (Katan Bet)

*Briana White*

Whose hearts are focused only on the truth?  
We pour out ourselves to become more like You  
Those who are seeking out your righteousness  
Walking in all Your ways

We wanna be (We wanna be) your lights of the world  
We wanna be (We wanna be), the salt of the earth  
So, cleanse our hearts and cleanse our ways  
We wanna be (We wanna be) like You!

Blessed are the *poor in spirit* and all those who *mourn*  
Who *hunger and thirst* for Your righteousness  
Blessed are the *clean in heart* and blessed are the *meek*  
The *compassionate* ones and all those who keep the *peace*  
Those *persecuted for righteousness sake*  
For theirs is the reign of the heavens

We wanna be (We wanna be) your lights of the world  
We wanna be (We wanna be), the salt of the earth  
So, cleanse our hearts and cleanse our ways  
We wanna be (We wanna be) like You!
