Frogs and dogs and apples to eat  
It took 6 days to get it done  
But the 7<sup>th</sup> Day's a special one**

Breeze in the trees and room to run  
On Day 6 came me and you  
Then He stopped! To enjoy the view**

Command Number 4 is Day Number 7  
The best day's His rest day  
A gift that's straight from heaven**

No chores allowed, just smiles and fun  
A time to celebrate His love  
And just spend time with our Holy One**
