

EVERY WORD (Lyric) [Katan B Sukkot 2021]

Sherry Shirah Wendling

You gave Your **Torah** to show heaven's law here below
When we guard every **law**, living water flows
Your **or-ders** say not to question, just obey
I will walk in the **way** of Yahweh

CHORUS: Every **WORD** You speak makes my eyes to see
How the u-ni-verse was intended to be
No one tears apart Your **Torah** from my heart
Keeps me safe; sets me free; changes me!

Your **witnesses** are true, teaching more about You
Your **way** is the One who can make all things new
Your **rulings** are **right**; they will pierce through the night
When the Judge of all earth shines His light

CHORUS: Every **WORD** You speak makes my eyes to see
How the universe was intended to be
No one tears apart Your **Torah** from my heart
Keeps me safe; sets me free; changes me!

BRIDGE: This **WORD** going straight from the mouth of Yahweh
Cre – a - ted and ordered all that is
Each **word** He breathes is a promise to me
I can be a child—child of His!
