

WISDOM RULES *(Katan B, Theme: Proverbs)*

Shirah Wendling

CHORUS:

Search for the treasure, dig for the gold
Learn all the wisdom your heart can hold
Get understanding, then you will know
The thoughts of Father's mind
Come sit down and dine
Don't be a starving fool—wisdom rules

Let the King have full control
Lock His words inside your soul
Follow what His truth unfold
Show Him you know Him

CHORUS

A fool will walk on sinking sand
But Yahweh has a better plan
He opens eyes to understand
Be wise! Realize
Seeing eyes

CHORUS:

Search for the treasure, dig for the gold
Learn all the wisdom your heart can hold
Get understanding, then you will know
The thoughts of Father's mind
Come sit down and dine
Don't be a starving fool—wisdom rules

Coda: Wisdom rules
 Wisdom rules
