

**WISE UP!** (*Katan A, Theme: Proverbs*)

*Shirah Wendling*

CHORUS:

Doo-bee-doo, wise up!  
Doo-be-doo, wise up!  
Your brain might be all full of stuff  
But being smart is not enough  
Get wisdom, doo-bee-doo  
Wise up!

A long time ago King Shlomo  
Told us what we need to know  
So look deep down inside your heart  
Fear of Yahweh's where to start

CHORUS

Don't just think you know it all  
He is great, and we are small  
He gives us teachers to help us grow  
So our joy can overflow

CHORUS (2X)

Coda: Wise up!  
Wise up!

<spoken> WISE UP!
