

BRICK BY BRICK/DAYENU (Katan B)

By Briana White

Verse

Why would He take us out of Egypt just to die at the sea
When there's a plan waiting for you that you just can't see
He broke us from these chains, now we're finally free
We're finally free

Chorus

We were not built to break (don't turn away)
We were not built to break (don't turn away) (**repeat**)

Cause brick by brick He builds us up
Without trust we break

Chorus Break down

We were not built to break
We were not built to break (**repeat**)

Chorus

We were not built to break
(Dai, Dayenu) (Dai, Dayenu) (Dai, Dai, Dayenu)
We were not built to break
(Dai, Dayenu) (Dayenu) (**repeat**)

Ending

Cause brick by brick He builds us up
Without trust we break
Brick by brick He builds us up
Without trust we break
